The Annual Day celebrated the school's commitment to providing quality education that focuses on students' holistic development.

- **21st February: School Enterprise Challenge Silver-level Award 2022**

On February 21st, 2022, the School Enterprise Challenge awarded Ms. Sana Sayed and Ms. Saba Khan with the prestigious Silver-level Award for their exceptional efforts in planning, establishing, and managing an innovative school business. Their outstanding contributions and achievements were recognized by the 'Teach a Man to Fish' initiative, which supports educational institutions in developing sustainable business projects. The School Elite Team, led by Ms. Sayed and Ms. Khan, demonstrated exemplary leadership skills and entrepreneurial acumen, resulting in a successful venture that not only generated revenue but also created a positive impact on their school community. Their dedication and hard work paid off as they surpassed the expectations set by the Silver-level Award criteria. Their project's success was attributed to their unique approach to problem-solving and their ability to adapt to changing circumstances.
